**FOR IMMEDIATE RELEASE** – MCC Condemns Series of Terror Attacks in France, Tunisia and Kuwait

June 26, 2015

**The Muslim Community Center (MCC)** of Silver Spring, Maryland, one of the oldest Muslim faith based organizations in the Washington, DC area, strongly condemns the attacks on a French gas factory, a Tunisian tourist resort, and a mosque in Kuwait.

We join the world community and the American Muslim community in denouncing these atrocious actions committed by criminals who seek to sow fear and hatred in the lives of ordinary people. Their twisted agenda knows no boundaries, including houses of worship and their worshippers. Our sympathy and prayers are extended to the families of those dead and injured.

Once again, the MCC joins the majority of mainstream Muslims worldwide in affirming our complete rejection of these criminal extremists, their actions and twisted agenda. We pray and work hard for peace and justice, and for the perpetrators of these crimes to be brought to justice.

*MCC's mission is to promote brotherhood and human dignity among all by developing an environment of understanding, compassion, and justice in our personal and professional lives. We strive to serve the needs of the Muslim community and community at large in a manner that promotes its positive image and standing in a changing environment. We aim to represent the Muslim community in interfaith circles, government, public and media relations, and within our society at large.*
