FOR IMMEDIATE RELEASE – MCC Condemns Shooting at Disability Center in San Bernardino

December 3, 2015

The Muslim Community Center (MCC) of Silver Spring, Maryland, one of the oldest Muslim faith based organizations in the Washington, DC area, strongly condemns the mass shooting on Dec. 2, 2015 at Inland Regional Center in San Bernardino, CA, a facility serving adults with developmental disabilities, where at least 14 people were killed and at least 17 others wounded.

We join our fellow Americans, including the American Muslim community, in expressing our horror and outrage at this brutal attack, and condemning in the strongest terms the criminals who commit these horrific acts with no value for the sacredness of human life. Our deepest condolences, sympathy and prayers are extended to the families of those who have lost loved ones in this attack, and to those who have been injured.

MCC's mission is to promote brotherhood and human dignity among all by developing an environment of understanding, compassion, and justice in our personal and professional lives. We strive to serve the needs of the Muslim community and community at large in a manner that promotes its positive image and standing in a changing environment. We aim to represent the Muslim community in interfaith circles, in government, public and media relations, and in the society at large.
